

IPMS SEATTLE

NEXT MEETING:

December 17 --- 10:30 - 1:30

INTERNATIONAL PLASTIC MODELERS' SOCIETY

The last meeting was really neat! --- Lots of old kits, and some nice built ones in the contest, too! A list of winners for those elsewhere:

	<u>AIRCRAFT</u>	<u>JUNIOR</u>	<u>ARMOR</u>	<u>DIORAMA</u>
<u>First</u>	C1/UFAG Talon Kit T. Estes	Helicopter AB206 Charles Stevens	SdKFZ 250/3 Rocky Rockwell	1/35 Jeep Rocky Rockwell
<u>Second</u>	HE 51 Larry Baldwin	MOD-5 Robot Shawn Duffy	1/35 Panzer IB Doug Packard	Good-bye John Duffy
<u>Third</u>	F4U-ID Jim Harderson	DO3 + RS99 Shawn Duffy	Tow-Mutt John Duffy	1/35 Battle Tractor Les Harris

This coming meeting (December 17) will be a busy one; of course starting with the elections, then a short movie about wind tunnel flutter models, provided by Bill Osborn and Boeing, and a new Modeler's Memory Madness slide show laid on us by Terry Moore. It will be an interesting and fun meeting for sure. So don't miss it.

Sharing at Christmas -- We have always had everybody bring cookies, candy, etc. for our Christmas meeting and this time should not be different, so I urge you all to bring something, cookies, candy, chips, whatever; I will provide the punch!

Until then . . . Have a Merry Christmas and a Happy New Year. See you there!

"Did I say anything about it being a flying model?"
