

IPMS SEATTLE

Contact- Steve Lewis 821-1262, 13651 99th NE, Kirkland

NEXT MEETING: SATURDAY, January 15, 1983!

The January meeting will host the "MODEL-OF-THE-YEAR CONTEST". There will be as many categories as there are models to fill; and a special "BD-5" mini-contest of which the winner will be given an award by Terry "299 Models" Moore. Everyone is encouraged to bring any and all models built during this past year. There will be "Model-of-the-Year" awards for all categories. All models must be entered by 12:00 NOON, judging will begin directly, with winners announced as soon as the judging is completed, (between 1:00 and 1:30, hopefully)! So plan to stay a little later.

Lt. Dave Balcer will bring some of his Navy slides to show us. Please join us --- it will be fun!

LAST MEETING: A nice turnout, as expected; even quite a few models showed up, for a non-contest month. Hopefully, all those, and more, will be here for the "Model-of-the-Year". Thanks to all those who helped with the goodies and refreshments, Bob Doran, Doug Remington, Carl Rohde, Wayne Snowdon, George Pfromn and myself. I think we might have to change the name of the club to "Cookies Anonymous"! Thanks again to Doug Remington for showing us the slides of the St. Louis meet and various aircraft, they were neat, as usual.

CHANNEL '9' TELETHON: The Telethon was a fair success, due in part to IPMS Seattle having eleven people there to answer phones. It is always interesting to view TV from the inside, rather than the outside, for a change. Channel '9' always puts on a good feed around the 9 o'clock break and, of course, all the TV you can watch! Thanks to these members for their time and efforts: Chuck Ballenger, Steve Gallacci, Matt Hargreaves, Mr. and Mrs. Bill Hawkins, Wes Moore, Earl Otto, George Pfromn, Greg Reynolds, Roger Sawyer, Athal Williams and myself. Also, thanks to those of you who called in your \$support!

IPMS EMBLEMS: We have quite a few members with IPMS emblems on their t-shirts and/or jackets, now, with more coming in all the time. Just bring your new t-shirt or jacket (jackets don't have to be new) and give them to Bob Doran and he will fix you up by the next meeting. A small 3 1/2" or large 8" are both only \$4
