IMPORTANT MEETING, BE THERE!

A LETTER TO THE MEMBERS OF IPMS/SEATTLE FROM THE REGIONAL COORDINATOR:

Last month, I had come to the meeting to make an announcement that under IPMS/USA Constitution & By-laws that I had to dissolve the IPMS/SEATTLE chapter, due to the lack of members not willing to fill officer's positions in the chapter which is mandatory to function within the scope of IPMS/USA.

Only through talk and a little pleading was I able to get any volunteers to run for offices. However, these individuals stated they would only serve if the majority of the membership voted them in and if there was some competition for the positions.

At the next meeting on June 8, each member is requested to attend to vote, and either volunteer and/or nominate some one else for an officer position, in addition to Harry Avis for President, Jack Kline and Tom Weinel for Vice President, and Ric Heinbaugh for Secretary Treasurer.

This chapter is the oldest in the U.S., in fact it was a chapter prior to the formation of IPMS/USA. Therefore it would be heart-breaking to dissolve this chapter due to member apathy.

Doug Remington, RC 7

OTHER NEWS AND INFORMATION:

The March kit auction netted the chapter and the Museum of Flight \$28.00. Thank you to those that participated.

A prospective new member, Richard Waltz, 15703 12th Ct E, Tacoma, Ph. 535-5536 is looking for any and all rare kits that he can find. Please call him.

Another prospective new member, Gordon Siegert, 12526 Dayton N, Seattle, Ph 365-0348 is looking for the 1/16 Revell "Jungle Jim" kit. If you have one hanging around on your shelf, give Gordon a call.
